

Profile in Brief :-

- (for more details pl see my website, Facebook, twitter)
 - A passionate Individual inventor, brought in light by Late Shri S.L.Kiloskar by taking my Seed Drill Patent on License basis and appointed as head of Agri. Design Dept, for which I owe him, this was done in spite of my education of MSc in Zoology/Entomology,
 - **Showing that he valued more for results than degrees.**
 - Made power tiller working on 3,5 hp Engine giving 12x12 inch cut in black cotton soil, which was is a miracle, and seen by all MDs of Kirloskar group.
 - **Introduced First Kirloskar Tractor in India.**
 - Patented for a common frame, for all Kirloskar ploughs
 - Tasted Deutz Tractors and Combine harvesters at Budhani for collaboration. Developed Implements for Kirloskar/Deutz Tractors.
 - **Marketing Executive for 6 States. for Tractors. Always highest Award winner.**
- **After retiring from Kirloskar group**

I started my research carrier in 1955 at Central Tobacco Research Institute at Rajamahendri, so I learned Telugu language also, I joined Kirloskar in 1962

Received an IIT Innovation Award for “A novel use of Apple for Diabetes which even eliminates Medicine and Insulin” Accepted by people in Maharashtra and medical field and practiced globally by Doctors, Hospitals and patients, in India and abroad. Similarly with proven results, I wish to give breakthrough results on major diseases, like Cancer, Leprosy, Flu and Psoriasis etc.

Was appointed as a Guide for Product Development in Pune Eng. College, even though MSc in Zoology.

- **.50 new products Developed and 10 types of these were sold, for 20 years through my own AVP & CO, Done research not in one but in varied fields in a garage Lab.**
- **6 Patents, 3 in USA and 3 in India, I write my own patents.**
- **Made Import substitution of Russian for HAL, for MIG Aircraft, and kept them flying for 6 years. And made an American, Nocarb Paste for Heat treatment.**
- **Developed. High Temp Adhesive coating to protect Acidic corrosion at high temperature of 1200 degrees Centigrade, for So2 plant, used in 72 Sugar Factories extending life of plants from 3 to, 18 months.**
- **Distributor for 6 districts and 100 sugar factories for LOC TITE products, (American Products). Always highest Award winning sale in India**
- **Developed a Biodegradable Scrubber for house hold and industry , donated to Blind school.**

Developed a 100% Herbal Mosquito Repellent, “Texomos”, working even if windows and doors kept open.

- **Nominated as a Service provider to assist business for, Wisconsin Entrepreneur's Network., [WEN] USA.**

- **One can get all 3 in one. for Invention ie Design, Production, and Marketing**

❖ **I can help in launching the new products up to Marketing stage .in Rural and Urban areas. and still sailing my prime product Texomos, a 100% Herbal Mosquito Repellent**
